Sir,

Adverting to Government Order No: 1283 dated 11th December 1902 sanctioning the appointment of Dharmadarsis to supervise the affairs of the temple of Hulikunte Sri Prana Devaru and Bommagatta Sri Rama Devaru, I have the honor to state that the Inam lands endowed to the Institution used to be cultivated by the Archaks and other villagers and the necessary expenditure of Nityakatte and Kechukatte utsavams met by them out of the produce of those lands without reference to or orders from Government. As this arrangement was open to grave objections, it has been put a stop to and

the

the inam lands have been leased out under orders from this office in anticipation of Government Sanction. The income of the temple under the new arrangement is estimated at Rs 344-6-0 and 1,680 seers of grain as detailed in the annexed statement The Amildar recommends that in the interest of the Institution, the term of the lease may be fixed at 10 years, as no one would come forward to take up the lands on a shorter lease. The lands have been put in possession of the lessees accordingly in anticipation of Government Sanction.

2. The income of the Institution having thus been regulated, it is necessary to have a sanctioned scale of expenditure for which I submit herewith, a statement showing the particulars of the amounts required for the several items. The Establishment and other charges for which provision has been made in the annexed statement were hitherto met by the concerned parties, who enjoyed the inam endowments. Now that the Inam lands have been taken away from them and leased out to others under

more

more satisfactory arrangements, provision has been made for each of them in the shape of money.

3. This arrangement, if approved, would leave an annual saving of Rs 29 4 10 which may be reserved for petty repairs and other contingencies. I beg therefore to recommend that the proposed scale may be adopted as a tentative measure.

4. The Vernacular correspondence noting with your No. 532 dated 13th December 1905 from the Assistant Commissioner, Chellakere group of Taluks is herewith submitted for favor of reference.

I have the honor to be,

Sir

Your most obedient Servant,
